

La Prairie is the leader in luxury skincare, present in 90 countries around the world. Synonymous not only with luxury, the La Prairie name evokes innovation, performance, high-touch service and Swissness — the purity, precision and excellence inherent to the extraordinary land that saw the brand's inception in 1978. La Prairie endeavors to fulfill a quest for timeless beauty through the highest standards of advanced technology combined with exquisite formulations and elegant packaging — elevating science to art.

For our Global Marketing Team located at our global headquarters in Volketswil (close to Zurich) we are looking for a

Global Store Designer

You design and manage the creation and organisation of all store design (SD) opening projects around the world. You develop and advance the brand's SD architectural concept and visual merchandising (VM). Collaboration with the regional teams and partners to ensure that guidelines and processes are respected to maintain brand consistency is part of your position.

Your Responsibilities

- You are responsible to create, manage and follow up on all stores from design to installation
- You execute technical drawings, elevation plans and 3Ds for design projects in your respective area
- In order to ensure a global consistent brand approach while being responsive to local needs, you collaborate with regional merchandisers and key partners.
- Overseeing all logistics for sourcing and production means you support the procurement team for more effective and efficient sourcing and participate in identifying pre-selected suppliers in each region
- You manage occasional flagship events from design to installation (e.g. marketing convention, Cannes and Singapore Tax Free, Art Basel)
- You participate in constant renewal of SD/VM concepts and contribute with your innovative ideas
- You maintain and ensure proper use of SD approval and execution processes and workflows

Your Qualification

- You hold a university degree in architecture
- More than 3 years' experience in architecture & interior design for a luxury brand in a global environment is a prerequisite for this role
- You possess knowledge of architecture-related software such as Autocad, 3Ds max with V-Ray, Adobe Suite and Sketchup
- Being proactive, detail oriented and creative helps you to be successful in this role
- Your positive attitude and dynamic but also flexible personality will fit well into the team
- Good communication skills and fluency in English is a must for this global function
- Passion is one of our core value and would be looking for designer who has an interest in art, design and luxury goods passion

Start date: As soon as possible

Location: Industriestrasse 8, 8604 Volketswil, ZH, Switzerland

Interested: If you are interested in a position that you can unfold your skills, please send your full application (incl. portfolio) to: Mrs. Weiji Stocker-Phung, application@laprairiegroup.ch, Ref: Global Store Designer
