

La Prairie is the leader in luxury skincare, present in 90 countries around the world. Synonymous not only with luxury, the La Prairie name evokes innovation, performance, high-touch service and Swissness — the purity, precision and excellence inherent to the extraordinary land that saw the brand's inception in 1978. La Prairie endeavours to fulfill a quest for timeless beauty through the highest standards of advanced technology combined with exquisite formulations and elegant packaging — elevating science to art.

For the Global Quality Management and 3PM Steering Team in our headquarters in Volketswil, we are looking for an experienced

Quality Manager

In this important role, you will define, communicate and ensure the quality related requirements at and between Co-Manufacturer and La Prairie Group. The jobholder will be operating in an international environment, dealing with exclusive and highest level of products.

Responsibilities

3rd Party Manufacturers (3PM) Steering

- Define rules und responsibility and lay down in written procedures together with the 3PM
- Ensure a clear communication
- Ensure that all quality related changes are released by GQM
- Accompany and release 0-Serie
- Evaluate the performance of suppliers and co-manufacturer
- Setting Standard FG samples

Quality Issues

- Handling of packaging complaints
- Assessing and managing of deviations appearing in the production, filling and packaging of products at 3PM. Provide an investigation report
- Ensure the follow-up measures after complaints or out of specifications.
- QM contact in urgent cases during filling and packaging at 3PMs

Qualifications:

- Degree in Science (food, cosmetics, pharmacy, bio technology)
- 3-5 years' professional experience in developing and/or production of cosmetic products and quality management
- Experience as auditor preferred
- Experience in working with cosmetic GMP
- Sound knowledge of cosmetic ingredients
- Good know-how of MS Office and SAP as well as good technical skills
- Great team player with an international mind-set and excellent communication skills
- Fluency in English and German; any other language skills are an advantage

Starting date / Workload

As soon as possible / 100%

Location:

La Prairie Group AG, Industriestrasse 8, 8604 Volketswil
