La Prairie Group AG is 100% owned by Beiersdorf AG, Hamburg (Germany) since 1990.

For our headquarter in Volketswil ZH we are looking for an experienced

Senior Web Developer & Architect

We are looking for an experienced Web Developer and Solution Architect with direct experience in developing ecommerce platforms. As a strong coder you are able to work under your own initiative and have solid experience in building ecommerce applications based on Demandware.

Responsibilities:

- Maintain the La Prairie ecommerce and brand websites
- Code, develop and implement new features
- Provide thought leadership and design the technical architecture for digital initiatives for both B2C and B2B solutions
- Own the code repository and control releases, branches, pull requests etc.
- Be a key resource in troubleshooting or issue resolution for the Marketing Team
- Provide technical guidance, mentorship and coaching to 3rd-party developers Contribute to detailed functional and technical specifications
- Facilitate the successful completion of implementations
- Provide and implement coding guidelines
- Integrate components built by developers and ensure architectural integrity of the system
- Collaborate in the overall planning, organizing and delivery of all services
- Support company internal projects that are based on web technologies

Qualification Requirements:

- 5+ years' work experience as a developer with background in professional services/consulting
- Solution Architecture experience designing and implementing complex enterprise applications in B2C ecommerce, preferable in Demandware
- The ability to quickly learn new concepts & technologies and convert them into our own solutions
- Strong documentation skills and experience in agile methods
- Prior experience leading and working with geographically dispersed development teams
- Strong skills in either Java or JavaScript
- Experienced with other web technologies such as HTML5, CSS, J2EE, SOAP, Experience with SAP UI5/fiori is beneficial
- Proficient in English and German and strong communication skills
- Willingness to occasional travel up to 10%

What do we offer:

- Great opportunity to work and be part of a world class product
- Work alongside a young, multicultural, and dynamic team
- Our Roof Top Restaurant with a nice view on the mountains and Greifensee
- Summer & winter company parties
- A fun and friendly atmosphere

Location: Switzerland, Volketswil ZH
