

la prairie group

La Prairie is the leader in luxury skincare, present in 90 countries around the world. Synonymous not only with luxury, the La Prairie name evokes innovation, performance, high-touch service and Swissness — the purity, precision and excellence inherent to the extraordinary land that saw the brand's inception in 1978. La Prairie endeavours to fulfill a quest for timeless beauty through the highest standards of advanced technology combined with exquisite formulations and elegant packaging — elevating science to art.

Supply Planning is one of the most crucial groups in our Global Supply Chain Department. To ensure product availability for our customers according to their forecasted demands, we are looking for a talented
